

Suburban North Alano

Board of Trustees

April and May 2020

Newsletter

- ★ The Governor has extended the Stay at Home order until June 1, 2020; therefore SNA will remain closed until then.
- ★ Zoom is being used for most AA meetings.
- ★ The parking lot will open when the alano does.
- ★ In keeping with group autonomy, individual squads are responsible for getting their meeting information onto the Osseoaa.org or Intergroup websites. Contact Keith R. if you wish to have your meeting link posted on Osseoaa.org. Contact Intergroup at (952) 922-0880 to have your meeting link listed there.
- ★ The Board wishes to remind squads and members that the alano still has bills to pay. See below if you'd like to send a check.
- ★ The alano is not currently set up to take online payments.
- ★ Hybrid (online with face to face) meetings will likely be happening when we do open the doors again depending on available service.
- ★ If you have a key to the alano and need to go there for some reason, please do NOT use the toilets. There is leaking that needs to be repaired first.
- ★ We are looking for an alano member who is willing to do the cleaning for the alano. Contact Keith R. if you are interested.
